INDEX TO VOLUME XXIX

PAGE

ABDOMEN, increased pressure within, in causation of intestinal perforation in inguinal hernia - - - - 385
Abdominal distension in appendicitis - - 350
— lymphangiomata, multiple, case report - 275
Abscess, cerebral, following pulmonary lobectomy 5
Acetylcholine, effect on choledocho-duodenal mechanism - - - 430 et seq.
Actinomycosis of breast, case report - - 353
Adenocarcinoma, mucoid, of bladder - - 400
Adenoma, of epidymis - - 260, 263
— pancreas - - - - - 266
— small intestine - - - - 143
Adrenal cortex in suprasellar cyst of Rathke's pouch - - - - - 308
Adrenaline, effect on choledocho-duodenal mechanism - - 430 et seq.
Aerocele, intracranial, in traumatic cerebro-spinal rhinorrhœa - - - 299
Aero-embolism - - - - 370
Age distribution of glomus tumours - - 389
— in relation to results in intracapsular fractures of femur neck - - 118, 119, 122
— — semilunar cartilages - - - 408
— — treatment of cleft palate - - - 208
Air injection in examination of knee-joint - 413
Amyl nitrite, effect on choledocho-duodenal mechanism - - - 426 et seq.
Anæsthesia in cleft palate operation - - 209
— filigree operation for inguinal hernia - 179
— spinal, post-lobectomy collapse and - - 14
Anæsthetic charts in pulmonary lobectomy - 3, 4
Anaphylactoid purpura simulating acute regional ileitis - - - - - 253
ANDREASEN, A. T.: Intestinal strangulation complicated by rupture of a six months' gravid uterus, case report - - 156
Aneurysm, cirsoid, of scalp treated by arterial ligation and venous injection - - 290
Angioma, arterial, of scalp, arterial ligation and venous injection in - - - 290
— of epididymis - - - - 260
Ankle-joint, irreducible dislocation of, case report - - - - - 359
Annular pancreas in stomach and intestine - 141
Antitoxic sera in appendicular peritonitis - 351
Appendices epiploicæ, surgical affections of, case report - - - - 438
Appendicitis, torsion of appendix epiploica simulating - - - - 439
Argentaffin tumours of small intestine - - 145
Arterial ligation and venous injection in cirsoid aneurysm of scalp - - - 290
Arteriovenous aneurysm of scalp treated by arterial ligation and venous injection - 290
Arthritis, coxa plana with - - - 24
— of hip, ischiofemoral arthrodesis in 93 et seq.
Arthrodesis, iliofemoral, essential conditions for 93
— ischiofemoral (*see* Ischiofemoral Arthrodesis)
Arthrography in knee-joint lesions - - 413
ARTHUR, HUGH R.: A case of branchial fistula, case report - - - - 440
Atresia of bile-ducts, congenital - - 52
Atropine, effect on choledocho-duodenal mechanism - - 427 et seq.
Autogenous nerve-graft in man, histological condition of - - - - 378
Autografts, cartilage - - - - 182

PAGE

Autoreduction en masse of an inguinal hernia, case report - - - - - 352
Axhausen's operation in cleft palate, modified - 210
Azygos uvulæ, anatomy of - - - 200
— vein in thrombosis of inferior vena cava 109, 112

BARLOW, DONALD: The treatment of cardiospasm by the Heller type of operation - - - - - - 415
BARNES, CYRIL G., and DUNCAN, GORDON W.: Anaphylactoid purpura simulating acute regional ileitis - - - - 253
Bassini operation for inguinal hernia, recurrence after - - - - - 173
— — modification of, for inguinal or femoral hernia - - - - 285
Bateman, Mary, earliest English example of bilateral cervical rib - - - 47
Battle's incision in appendicectomy - - 349
BATTY-SMITH, C. G.: An operation for increasing the range of independent extension of the ring finger for pianists - 397
BERESFORD-JONES, A. B.: A case of spontaneous intraperitoneal rupture of the urinary bladder, case report - - - - 154
Bile, effect on choledocho-duodenal mechanism 432 et seq.
Bile-ducts, congenital atresia of - - 52
Biliary dyskinesia - - - - 424
— tract, observations on choledocho-duodenal mechanism - - - - 422
Bladder, mucoid adenocarcinoma of - - 400
— spontaneous intraperitoneal rupture of, case report - - - - - 154
Blood transfusion in pulmonary lobectomy - 3, 4
Blood-supply of œsophagus - - - 44
— palate - - - - - 204
— pulmonary, blockage of, in common iliac embolectomy, case report - - 441
— of semilunar cartilages - - - 407
Blood-vessel tumours of spinal cord - - 330
BLUMER, C. E. M., and EDWARDS, J. L.: Adenoma of the epididymis - - 263
Bone, caisson disease of - - - 365
— and cartilage transplants, their use and behaviour - - - - 182
— changes in suprasellar cyst of Rathke's pouch 305 et seq.
Bone-graft, tibial, for ischiofemoral arthrodesis 95
Bougie, 'grab', for suprapubic cystotomy - 85
— treatment in cardiospasm - - - 416
Brain abscess following pulmonary lobectomy - 5
— pathological changes in, in suprasellar cyst of Rathke's pouch - - - - 310
Branchial fistula, case report - - - 440
Breast, male, proliferative and other lesions of - 393
— primary actinomycosis of, case report - 353
BRITTAIN, H. A.: Ischiofemoral arthrodesis - 93
Bronchiectasis spreading after pulmonary lobectomy - - - - - - 7
Bronchography with iodized oil, collapse after lobectomy and - - - - - 10
Bronchopneumonia after pulmonary lobectomy 5
BRUCE, JOHN: Traumatic perforation of the intestine as a complication of inguinal hernia - - - - - 385
Buccopharyngeus muscle, anatomical - - 201
BURROWS, H. JACKSON: Coxa plana - - 23

PAGE

CADAVERIC costal transplants - 183, 184
Caisson disease of bone - - - 365
Calculous tuberculous pyonephrosis, spontaneous reno-inguinal fistula in - - - 256
Calvé's disease, kinship with coxa plana - 34
Carcinoid tumours of small intestine - - 145
Carcinoma of colon in children - - - 228
— male breast - - - - - 394
— small intestine - - - - 146
— thoracic stomach, thoracico-abdominal gastrectomy for - - - - 39
— ureter - - - - 371, 392
Cardinal veins in development of inferior vena cava - - - - - 111
Cardiospasm, treatment by Heller operation - 415
Carotid ligation and venous injection in cirsoid aneurysm of scalp - - - 290
Cartilage and bone transplants, their use and behaviour - - - - 182
Cartilages, semilunar (*see* Semilunar Cartilages)
Catheter, ureteric, for transfusion after cleft-palate operations - - - 218
Cathéterisme en fasciceau in cardiospasm - 416
CAVE, A. J. E.: The earliest English example of bilateral cervical rib - - - 47
Cavernous abdominal lymphangiomata, case report - - - - - 275
— angioma of epididymis - - - 260
Cerebral abscess following pulmonary lobectomy 5
— changes in suprasellar cyst of Rathke's pouch 319
Cerebrospinal rhinorrhœa, traumatic - - 299
Cervical glomus tumour - - - 387
— rib, bilateral, earliest English example of - 47
Chaput's stovaine as spinal anæsthetic in filigree operation for inguinal hernia - - 180
Chest, cleavage lines of - - - 234
— wall, gangrene of, after pulmonary lobectomy 7
CHESTERMAN, JUDSON T.: Congenital atresia of the bile-ducts - - - - 52
— — Unique internal hernia, case report - 278
Children, carcinoma of colon in - - 228
Cholecystokinin - - - 435, 436
Choledocho-duodenal mechanism, notes on - 422
Choledocho-duodenostomy in congenital atresia of bile-ducts - - - - 54
Cholesterol deposits, bile-salt concentration and 435
— infiltration of tissues due to trauma - - 327
Cirsoid aneurysm of scalp treated by arterial ligation and venous injections - - 290
Cleavage lines of skin - - - - 234
Cleft palate, aetiology of - - - 204
— — anatomical types of - - - 206
— — discussion - - - - 222
— — methods of narrowing the nasopharyngeal isthmus - - - - 224
— — prognosis - - - - 220
— — results of operation - - - 221
— — and speech mechanism - - - 197
— — — — anatomy of palate and nasopharynx 197
— — summary - - - - 226
— — treatment - - - - 208
— — — post-operative - - - 218
COLE, PERCIVAL P.: The filigree operation for inguinal hernia - - - - 168
Colic, ureteric, due to tumour - - - 373
Collapse, massive, of remaining lobe after lobectomy - - - - - 5, 7
Colon, carcinoma of, in children - - 228
— imperfectly rotated, retroperitoneal herniation of, case report - - - 360
Compressed-air illnes of bone - - - 365
Cone and rod vision in dark adaptation - - 340
Congenital abnormality of semilunar cartilages - 411
— atresia of bile-ducts - - - 52
— nature of cardiospasm - - - 415

PAGE

Conjoined tendon in 'slide' operation for inguinal or femoral hernia - - - 285
COOLEY, G. G.: Auto reduction en masse of an inguinal hernia, case report - - 352
COPE, V. ZACHARY, and GRANT, H. M.: A case of lymphosarcoma of the ileum, case report - - - - - - 356
Costal cartilage, changes in, in suprasellar cyst of Rathke's pouch - - - - 313
— — transplants, use and behaviour - - 182
COX, H. T.: The cleavage lines of the skin - 234
Coxa plana - - - - - - 23
— — causation - - - - - 33
— — causes of difference between osteochondritis juvenilis and ordinary aseptic necrosis 31
— — general aetiological factors - - 23
— — kinship - - - - - 34
— — pathological and radiological changes 24, 28
— — — — — in osteochondritis juvenilis and ordinary aseptic necrosis - - 29
— — terminology - - - - 23
— — treatment - - - - 34
— vara, coxa plana with - - - 24
'Creeping substitution' in osteochondritis juvenilis - - - - - 31
Critical Review :—
The treatment of acute appendicitis - - 346
CROWE, G. G.: Complete blockage of the pulmonary blood-supply occurring during common iliac embolectomy, case report - 441
Cutaneous glomus, functions, etc. - - 388
Cyst, dermoid, of epididymis - - - 260
Cysts of semilunar cartilage - - 411, 412
Cystodiathermy in carcinoma of ureter - - 393
Cystography in ureterocele - - - 295
Cystoscopy in tumours of ureter - - 373
Cystotomy, suprapubic, in operation for hypospadias - - - - - 85

DARK adaptation, cone and rod vision in 339, 340
Dermoid cyst of epididymis - - 260
Diabetes insipidus in suprasellar cyst of Rathke's pouch - - - - - 308
Diaphragm, phrenic nerve in control of 41, 44
Dilatation in cardiospasm - - - 416
Dislocation of ankle-joint, irreducible, case report 359
— hip, coxa plana with - - - 24
— radial head in Monteggia fractures - - 323
Distension, abdominal, in appendicitis - - 350
Diverticulum, Meckel's, causing obstruction to adjacent ileum, case report - - 277
— — heterotopia and - - - 41
DORLING, G. C.: Meckel's diverticulum causing obstruction by tying a knot around the adjacent ileum in a man of 74 years, case report - - - - - 277
Dorrance's operation in cleft palate - 210, 216
Drainage after appendicectomy - - - 350
— — pulmonary lobectomy - - - 7
— in thoracico-abdominal gastrectomy 44, 45
DUNCAN, GORDON W., and BARNES, CYRIL G.: Anaphylactoid purpura simulating acute regional ileitis - - - - 253
Duodenal movement and tone in relation to common dile-duct, observations on 422 et seq.
Duodenojejunostomy in duodenal atresia - 247
Duodenum, tumours of (*see* Tumours of Small Intestine)
Dyskinesia, biliary - - - - 424

EAR, cartilage transplants for defect in pinna 183
EASTMAN-NAGLE, D., and SOMERVILLE-LARGE, C.: Persisting vitelline remnants 271
EDEN, KENNETH: Traumatic cerebrospinal rhinorrhœa - - - - 299

PAGE

EDEN, KENNETH, and TROTTER, W. R.: A case of lymphadenoid goitre associated with the full clinical picture of Graves' disease 320
EDWARDS, J. L., and BLUMER, C. E. M.: Adenoma of the epididymis - - - 263
Elbow-joint, loose body in, case report - - 274
Elephantiasis of penis - - - - 194
Elsberg-Poussepp operation in syringomyelia - 56
Embolectomy, iliac, blockage of pulmonary blood-supply in, case report - - 441
Embolic phenomena after pulmonary lobectomy 5
Enterostomy for post-operative ileus - - 351
Epididymis, adenoma of - - - 263
— — with note on old tumours - - 260
Epiphyses, delayed fusion, in suprasellar cyst of Rathke's pouch - - - 305, 317
Epiphysial nucleus, changes in, in coxa plana - 28
Epithelial tumours of ureter - - 371, 372
Eserine sulphate, effect on choledocho-duodenal mechanism - - - - 429
Exomphalos - - - - - 37
Experimental Surgery :—
Observations on the choledocho-duodenal mechanism and their bearing on the physiology and pathology of the biliary tract - - - - - 422
Extension of knee-joint, loss of, in cartilage lesions - - - - 409 et seq.
EYRE-BROOK, A. L., and PRIDIE, K. H.: Intra-capsular fractures of the neck of the femur 115

FALX aponeurotica inguinalis in 'slide' operation for inguinal or femoral hernia - 285
Fascia in repair of inguinal hernia - - 169
Fascial suture in repair of inguinal hernia - 285
Femoral hernia, 'slide' operation for - - 285
Femur, changes in, in suprasellar cyst of Rathke's pouch - - 305, 306
— intracapsular fractures of neck of - - 115
— spontaneous fracture of the apparently normal neck of - - - - - 241
Fibro-adenoma of male breast - - - 394
Fibroma, pericanalicular, of epididymis - - 260
— of small intestine - - - - 144
Fibromyoma of epididymis - - - 260
Fibrous union in intracapsular fractures of femur neck - - - - - 127
Filigree operation for inguinal hernia (*see* Hernia, Inguinal)
Finger dilatation in cardiospasm - - 417
— ring, operation for increasing range of - 397
Fistula, branchial, case report - - - 440
— formation due to carcinoma of ureter - 372
— persistent, cerebrospinal nasal, operative repair of - - - - 299
— reno-inguinal, spontaneous, in calculous tuberculous pyonephrosis - - 256
Flying, night visual capacity in relation to - 339
Fœtal development of semilunar cartilages - 407
Fœtus, choledocho-duodenal apparatus in - 423
Forearm bones, osteoporosis of, in suprasellar cyst of Rathke's pouch - - - 305
Fractures of neck of femur, intracapsular - 115
— — — spontaneous - - - 241
— Monteggia - - - - - 323
— of olecranon process - - - 403
— radial head in Monteggia fractures - 324, 325
Fracture-neck angle in intracapsular fractures of femur neck - - - - 119
Fracture-shaft angle in intracapsular fractures of femur neck - - - - 119
Freiberg's disease, pathological changes in - 25
Frontal sinus, fracture of, cerebrospinal rhinorrhœa due to - - - - 299
Fulminating type of appendicitis - - 348

GALL-BLADDER and sphincter of choledochus, observations on 422 et seq.
Gangrene of chest wall after pulmonary lobectomy 7
Gastrectomy, thoracico-abdominal, for carcinoma of thoracic stomach - - - 39
Gastro-enterostomy in duodenal atresia - - 247
Gillies-Fry operation in cleft palate - 210, 215
Glomus tumour - - - - 387
Glossopalatine muscles, anatomy of - - 200
Glossopharyngeus muscle, anatomical - - 201
Goitre, lymphadenoid, with clinical picture of Graves' disease - - - - 320
GORDON-TAYLOR, GORDON, and OMMANEY-DAVIS, C.: A case of adenoma of the epididymis - - - - 260
GOWER, F. J. SAMBROOK: The post-operative complications of pulmonary lobectomy - 3
Graft, nerve, autogenous, in man, histological condition of - - - - 378
Graft-cutting knife - - - - 88
GRANT, H. M., and COPE, V. ZACHARY: A case of lymphosarcoma of the ileum, case report 356
Graves' disease, clinical picture of, in lymphadenoid goitre - - - - 320
Groves, Hey - - - - - 165
— — pinning method in intracapsular fractures of femur neck - - 115 et seq.
Guisez's *cathétérisme en fasciceau* in cardiospasm 416

HÆMATOMA, cholesterol infiltration of tissues resulting from - - - 327
— formation within epiphysial nucleus as cause of coxa plana - - - - 34
Hæmaturia in ureteric tumours - - - 373
Hæmorrhage after pulmonary lobectomy - 3
Hare-lip, association with cleft palate - - 206
Hashimoto's thyroiditis with full clinical picture of Graves' disease - - - 320
Heller type of operation for cardiospasm - 415
Hemiazygos vein, inferior, in thrombosis of inferior vena cava - - - - 109
Hereditary factor in cleft palate - - - 205
Hernia, femoral, 'slide' operation for - - 285
— inguinal, auto-reduction en masse, case report 352
— — fascia in repair of - - - 169
— — filigree operation for - - - 168
— — — — after-treatment - - - 179
— — — — anæsthesia - - - 179
— — — — mechanism of direct and indirect hernia - - - - 175
— — — — operative technique - - 176
— — — — post-operative recurrence - 171
— — 'slide' operation for - - - 285
— — traumatic perforation of intestine as complication of - - - - 385
— internal, case report - - - 278
— retroperitoneal, of imperfectly rotated colon, case report - - - - 360
Heterotopia in small intestine - - - 139
Hexagon, rotating, in testing night visual capacity 341
Hey, William, the Bateman skeleton and - 50
HIGGINS, A. TWISTINGTON: Foreword to a one-stage operation for hypospadias - - 84
Hip conditions associated with coxa plana - 24
— ischiofemoral arthrodesis of (*see* Ischiofemoral Arthrodesis)
— pathological observations in coxa plana - 24
Histological condition of a nerve autograft in man 378
HOLMES, W., SEDDON, H. J., and YOUNG, J. Z.: The histological condition of a nerve autograft in man - - - 378
Homografts, cartilage - - - - 183
HOUGHTON, P. W.: A case of retroperitoneal herniation of imperfectly rotated colon, case report - - - - 360
